REQUEST FOR PROPOSALS

Date: **November 10, 2022**

To: All Interested Raspberry & Blackberry Researchers

From: Darcy Kochis, Administrator

Cc: Josh Kvidt, ARF

Attachments: ORBC Research Priorities, ARF Submission Guidelines, Research Proposal Cover Page - all files are available at <https://www.oregon-berries.com/the-orbc/>

1) DEADLINE FOR PROPOSALS **Tuesday, January 10, 2023**

Research Proposals for **FY 2023-24**

Research Proposals are now being accepted for next FY. Proposals will be rated based on the attached priorities. Also, please see the next page for instructions on preparing your proposals.

Electronic Copies:

A. Please E-mail your Proposal in **PDF** format, and Research Proposal Cover Page¹ to the commission office: darcy@oregon-berries.com

B. Submit in **PDF** format to ARF - see ARF submission guidelines (at the above web address) for details.

Signature Copy – OSU Researchers:

See ARF submission guidelines for details.

For questions on OSU submission process contact the Ag Research Foundation:

Josh Kvidt 1600 SW Western Blvd., #320 Corvallis, OR 541-737-3228

Josh.kvidt@oregonstate.edu

¹ The Research Proposal Cover Page is an Electronic Form found at the above web address.

2) Instructions for Preparing Your Research Proposals

Please include the following categories for your proposal:

Title:	Title of project
Principal Investigator:	Name, institution, department, address, phone, fax, e-mail
Cooperators:	Name, institution, department
Rationale:	Briefly state the reason for doing the research or educational project. Describe how the project results will benefit Oregon berries.
Objectives:	State what will be achieved.
Progress:	Describe results of past research on the problem. If the project is new, describe any preliminary results you may have obtained.
Proposed Project:	Outline the methods or procedures you plan to use in the project. Proposals should not exceed three pages unless it can not be adequately conveyed within that limit. Proposals should be concise and convey all expected elements.
Duration of Project:	Each proposal should be made for a specific period, e.g., three years. If project is in progress, show the year of this proposal, e.g., year 2 of 3.
Summary Page:	Up to one-page in reader-friendly non-scientist/layperson language.
Budget:	<p>If you received funding last year, please show the amount received from each source. For your current proposed budget, also include the names of other sources and the amounts of funds received or requested.</p> <p><i>Please Note: Graduate student tuition can not be included in your budget. Also, no Indirect Costs are allowed.</i></p>

3) Research Priorities

Attached are the current research priorities developed by the ORBC Research Committee. These will be used as part of the criteria for rating proposals.

If you have any questions, please contact us. Thanks.
